2. Let me draw deep water  
From the well of Your true Spirit  
I will leave behind me  
The shallows of my springs  
Fill me up with every word  
That You alone have spoken  
(Refrain)

3. I will sing Your praises,  
For You have cast Your shadow  
The covering that overcomes  
The sickness and the sting  
Hold me in forgiveness through  
The darkness and the danger  
(Refrain)
