1. By thy reconciling love,
2. Make us one of heart and mind,
3. Let us then with joy remove

every stumbling block remove.
patient merciful and kind.
to thy family up above.

Each to each unite, endear,
Lowly, meek, in thought and word,
On the wings of angels fly,

Come and spread thy banner here.
altogether like our Lord.
show how true believers die.

Jesus, Lord, we look to thee,
Let us in thy name agree,
Show thyself the Prince of Peace,

all quarrells forever cease.
