

The Shelter of Your Wings

© Scott Roley Music. Words and music: Scott Roley.

1. I am but a beggar
Laid upon Your doorstep
My heart is like a stone,
A bell that cannot ring
Stand me in the burning light
Of Your eternal presence

REF: And hide me (*hide me*)
In the shelter (*in the shelter*)
Oh and hide me (*hide me*)
In the shelter (*in the shelter*)
Of Your wings

2. Let me draw deep water
From the well of Your true Spirit
I will leave behind me
The shallows of my springs
Fill me up with every word
That You alone have spoken
(Refrain)

3. I will sing Your praises,
For You have cast Your shadow
The covering that overcomes
The sickness and the sting
Hold me in forgiveness through
The darkness and the danger
(Refrain)
